Profile

Hard-working entrepreneur specialist. Seeking to use proven skills in leadership, innovation, and management. Experienced real business work in Silicon Valley. I have the ability to work well in teams as I bring forth to any team motivation, improvement, and most importantly teamwork. From any idea or objective, I am willing to execute it.

Education

Amador Valley High School, Pleasanton, CA

August 2017 – August 2021

- GPA 4.0
- Commit 13 hours per week of leadership and dedication to the Amador Valley High School Marching Band and Color Guard program.
- Currently exploring business-related clubs such as BA and DECA

Work Experience

Stanford GATI Entrepreneurship Program (Gifted and Talented Innovators), Palo Alto, CA

July 2018 – August 2018

- Developed and built a startup company with acquaintances from all over the world
- Explored and visited companies such as Google, Udacity, and Salesforce
- Formed a business plan and pitched to Silicon Valley investors and accelerators such as Y-Combinator
- Entrepreneurial learning from CEOs and mentors

Phillippine International Aid Sponsorship Speaker, San Francisco, CA

November 2016

- Presented to hundreds of sponsors to provide educational assistance to more children in the Philippines

Summer Object-Based Educational Programming Teacher, Pleasanton, CA
